

Dear pet owner,

At Evidensia Dierenziekenhuis Hart van Brabant we are aware of the fact that the costs for the proper treatment and care of your pet can sometimes be high. However, it is not possible to pay in instalments or on invoice. However, we would like to think along with you about various possibilities for borrowing money.

- Asking loved ones to help
- Start a crowdfunding on social media
- You can also choose to take out a personal credit with a loan. Examples of lenders;
 - [BNP Paribaas PF lenen](#)
 - [Directa.nl](#)
 - [Interbank](#)
 - [Moneyou](#)
 - [Qander](#)
 - [Nationale Nederlanden](#)
 - [Defam](#)
 - [Findio](#)
 - [Lender & Spender](#)

On the site of the [Dutch Consumers' Association](#) you can read information about the various lenders and the conditions and risks associated with the loan. Because borrowing money costs money! Evidensia Dierenziekenhuis Hart van Brabant does not cooperate with the various lenders, you need to contact them yourself if necessary.

- Should the above, for whatever reason, not be possible for you, then there is the option to renounce your pet. You can discuss this possibility with your own veterinarian or with the (emergency) doctor of our hospital.
- In addition, we advise you to take out pet insurance in the future. For all insurances applies that the pet to be insured is healthy at registration.
 - [Evidensia Dierenverzekering](#)
 - [Reaal Dier & Zorg](#)
 - [Ohra](#)
 - [Petplan](#)
 - [Dierverzekering](#)

We will be happy to answer any further questions you may have about the various treatment options for your pet and the associated costs.

Kind regards,

Team Dierenziekenhuis Hart van Brabant
